

PLEASE, KEEP OUR BEACHES CLEAN

- * Do not dispose of cigarettes butts in the sand.
- * Deposit all rubbish in the corresponding containers.
- * Respect the flora and fauna, specially in rock areas.
- * Save water and do not use soaps when using the showers on the beach.
- * If you like fishing, you will also like a clean beach free of hooks, tackle, old bait and litter; please, do not abandon these on the beach.
- * Check boats for oil and petrol leaks and make sure the anchor does not damage the sea bed.
- * Do not eat immature fish and seafood, as this encourages illegal fishing and the overexploitation of our fishing resources.
- * Use whenever possible public transport to go to the beach.
- * Colaborate with the tourist establishments that are environmentally friendly.
- * Apart from guide dogs, it is forbidden to take dogs on the beach.
